

## 2020 special Instructions due to school closures DEADLINE EXTENDED TO MAY 1!

Dear Students,

Due to the temporary closure of the Lake Washington School District schools in March of 2020, we have extended the deadline, expanded our application submission options to include email submission, have relaxed our transcript requirements, and relaxed our letter of recommendation requirements.

Due Date: We have extended the scholarship application due date to **Friday, May 1, 2020, at noon.**

Email application submission: To submit your application via email, please send ONE email to [scholarships@lwptsa.net](mailto:scholarships@lwptsa.net) with your name in the subject line, and attach the following documents:

- The completed application form
- Your answers to the “Questions” section for the scholarship for which you are applying
- Your essay (not required for Scarr scholarship)
- Your two letters of recommendation (see below)

If you are applying for more than one scholarship, please send a separate email for each scholarship, and include ALL documents for each scholarship in each email, even if you are using the same documents for more than one scholarship.

Transcripts: Because of the difficulty of obtaining official transcripts during the school closure period, we will accept unofficial transcripts OR a print out of your grades from Skyward. Please include the first semester of your senior year. By submitting your application and grade report to us, you are issuing us permission to verify your grade report with your school.

Letters of Recommendation: We ask that one of your two letters of recommendation be from a faculty member at your school. But if this is not possible, a non family and non faculty member letter of recommendation is acceptable. You can include these letters with your application or alternatively, you can ask your references to email the letters of recommendation to us directly; please make sure they do so by the application deadline.
